

LICHTMOND

Distant Dream

They say that you can hear it
if you're very very quiet
when raindrop voices wisper
one to another
of their dreams
distant dreams
of soring flying reborn
high across the blue
where nothingness surrounds
the silence
in the clarity
of beginning

Poem: Gabi Koppehele

How far we are from now
Wasting the time we need

How far we move from now
Caught in a distant dream
