## State of Mind

I got you  
Under my skin  
You told me  
Never give in  
Yesterday's gone  
Far behind - forever  
We've got to move on  
Look ahead - together

Where do we go  
From here and now  
We step into a new  
State of Mind  
And how could we turn  
Things around  
We dive into a new  
State of Mind

You never - lost the faith in me  
Whenever - you didn't feel that free  
You never - saw the secret land  
Don't worry - I take you by the hand  
We'll make it  
All through the tide  
No matter  
How dark is the night  
How does it feel  
When you're caught up inside  
Open your heart  
Wide enough to see the light
